You can find further information about our
services at: [→ hnee.de/career_en](https://hnee.de/career_en)

**Eberswalde University
for Sustainable
Development**

The Career Service is a special provision for all students, graduates and employees of our university. We provide you with targeted support through the provision of information and events that will best prepare you for the world of work.

Comprehensive information and all event notes, including on career start, application documents check and presentations of occupational areas, can be found at:
→ hnee.de/career_en.

Stay in touch by becoming part of our occupational area presentations for the faculties. Actively report on the first professional experiences that you gained after graduating from HNEE.

The HNEE Alumni network looks forward to welcoming you.

Our services

Advice

In a personal meeting, you have the opportunity to plan your own personal career start.

- Support in professional orientation and goal setting
- Professional feedback to improve your application documents
- Answers to questions about types of application, remuneration, side jobs, interviews, etc.

Don't hesitate to ask us!
03334 657-457 | career@hnee.de

Training

The Career Service is already supporting your career start during your degree programme in the form of regular information events, coaching and workshops.

Today, personal, social and communication skills are more important than ever. The service helps you to prepare for examination situations, to determine your own learning style and to mindfully look after your own resources.
